- 1) Act safely with myself, the instructors and other students.
- 2) Pay attention and listen
- 3) Treat everyone with respect
- 4) Return all tools to their proper location at the end of each class
- 5) Not remove any tools or materials from the class
- 6) Always wear a helmet when on a bike
- 7) Clean up after myself each class

I understand that I can be released from the Kids Building Bikes program if I do not follow the rules. If I am released, I will not receive a bike.
